

CERTIFICATE

# OEKO-TEX® Zertifizierungsstelle GmbH

Kaiserstraße 39 · 60329 Frankfurt am Main

The company

**Volz Luftfilter GmbH & Co. KG**

**Gesslerstrasse 3**

**72160 Horb am Neckar, GERMANY**

is granted authorization according to Oeko-Tex® Standard 100 to use the Oeko-Tex® mark, based on our **test report 12.0.09393**

**Tested for harmful substances**

according to Oeko-Tex® Standard 100

06.0.44570

Hohenstein

for the following articles:

**Pocket filter fine filtration PROsyntex, pocket filter Biostat M5-F9, pocket filter pre filtration, medium filtration and fine filtration, Z-Line filter M5-F9, Compact filter M5-F9 and laminated nonwoven fabrics made of spun-, meltblown (polypropylene) and polyester nonwoven fabrics in white and selected pastel colours.**

The results of the inspection made according to Oeko-Tex® Standard 100, **product class II** have shown that the above mentioned goods meet the human-ecological requirements of the standard presently established for products with direct contact to skin.

The certified articles fulfil the requirements of Annex XVII of REACH (incl. the use of azo-dyes, nickel, etc.) as well as the American requirement regarding total content of lead in children's articles (CPSIA; with the exception of accessories made from glass).

The holder of the certificate, who has issued a conformity declaration according to ISO 17050-1, is under an obligation to use the Oeko-Tex® mark only in conjunction with products that conform with the sample initially tested.

**This authorisation is valid until 31.07.2013**

Frankfurt am Main, 04.09.2012
